Geographic Bags policy is to always keep improving our products based on market feedback and requests. This web site always features the most updated product information and features. Please be advised that due to stock rotation it is possible that previous versions are still in circulation, and therefore what you purchase may not perfectly match the web presentation you have viewed. The selling price is our official price. For retail and promotional pricing and availability, please check with an Authorized Dealer. Please note that product specifications are subject to change without notice and versions of products shown on this site may not yet be available in your local market. While we try to provide the most accurate information available, we cannot be responsible for typographical errors on the site. Should there be an error in our selling price, Geographic Bags is not obligated to fulfil the order at the incorrect price.
