

MIDI SHOULDER BAG NG 2345

- For Digital SLR, Point/Shoot Camera
- Or Camcorder with Accessories
- Padded, Cotton-Hemp Shoulder Bag
- Holds Photo or Video Kit
- Removable Insert
- Shoulder Strap

INTRODUCE | The beige National Geographic NG 2345 Earth Explorer Midi Shoulder Bag is designed to hold and protect a small camera outfit with accessories and personal effects. The bag has a designated removable insert that provides protection for a midi digital/SLR camera, point-and-shoot camera, or mini DV camcorder and separates your photographic gear from your personal items. There is a roll-away, zipper-sealed flap that provides weather protection.
